

Eye Care Specialists Diabetic Eye Exam Hotline

Eye Care Specialists recognizes the challenges you face when making the necessary appointments for your patients in order to meet the standards created by HEDIS® for Diabetes care.

We are recognized by Cigna, Blue Cross Blue Shield, and other insurers as a leader in providing HEDIS related Diabetic Eye Care.

Diabetic Eye Exam Hotline 570.718.6737

- Your calls will be given priority attention on our doctor hotline.
- Your patients will be scheduled for an appointment within one week for their Diabetic eye exam.
- A letter detailing the results of the exam, including all HEDIS requirements, will be faxed back to you in a timely manner.
- We will follow-up with your patients to schedule their yearly Diabetic eye exam.

We appreciate the opportunity to assist you in managing your Diabetic patients.
