OUR SERVICES INCLUDE: CATARACT, LASIK, OPTICAL & CONTACT LENS, RETINA, DRY EYE, GLAUCOMA, GENERAL EYE CARE, OCULOFACIAL PLASTICS AND COSMETIC.

“

The staff is incredibly helpful. We wouldn't have been able to fill a medication until Monday, the staff was able to get us a sample to get through the weekend. I was very impressed with the concern and compassion we received. We always receive stellar service, but this was even more above & beyond!

STAFF SPOTLIGHT

ROBERT SZULBORSKI, M.D., PH.D.

Dr. Szulborski specializes in advanced cataract surgery, glaucoma management and laser surgery, and diabetic eye disease.

Dr. Szulborski enjoys being able to provide our cataract and glaucoma patients a much better experience by performing procedures in the Surgical Specialty Center in Forty Fort, a fully accredited surgery center. Fun fact: early on, Dr. Szulborski was planning on being an astronomer and received his bachelors degree in Physics.
