## ABOUT US

For over 60 years, Eye Care Specialists have provided exceptional eye care to Northeastern Pennsylvania and beyond. Our surgeons have collectively performed more than 50,000 cataract procedures and are affiliated with Surgical Specialty Center, committed to delivering personalized, state-of-the-art procedures and exceptional patient care.

## NEPA's Most Skilled Eye Care Doctors

Our talented team hold degrees from some of the most prestigious institutions in the world. Committed to providing our patients with the most advanced technology, we are dedicated to helping you and your family obtain and maintain excellent vision and healthy eyes for a lifetime.

## OUR SPECIALTIES

### Advanced Cataract Technology

Eye Care Specialists team of surgeons are ranked in the top 2% of cataract surgeons in the nation, and offer the most innovative and advanced options in cataract surgery today. With Laser Cataract Surgery, we are able to provide more accuracy, precision and safety than ever before. Combined with our Lifestyle Lens Options, cataract patients are able to reduce or even eliminate the need for glasses after their procedure.

### Laser Vision Correction

For those who are looking to reduce or eliminate the need for glasses and contact lenses, our board certified experts offer All-Laser LASIK and other refractive procedures. There is little to no downtime, and the results are incredible for patients who are nearsighted, farsighted or have astigmatism.

### National Research Expertise

Our surgeons continue to help advance the fields of ophthalmology and optometry with ongoing involvement in clinical trials and studies. We have participated in numerous clinical trials that have ultimately led to breakthrough treatments for a variety of eye disorders and diseases.

### Oculofacial & Plastic Surgery

With one of the nation's dual-board certified Oculofacial and Plastic surgeons, Revive MedSpa at Eye Care Specialists offers a variety of plastic and reconstructive procedures. From injectables, to blepharoplasty, eyebrow lifts, lip enhancement, oculofacial reconstruction procedures, body contouring, skin care products, laser skin rejuvenation, BBL/IPL, facials and microneedling, our patients enjoy amazing results with a renowned and experienced surgeon.

### Glasses & Contacts

Eye Care Specialists Optical Shops offer a variety of eye wear to fit all of your needs. From prescription glasses, contact lenses, sunglasses, protective work or sportswear, we have products to fit your every need. We carry the latest in quality frames and lenses at prices that will fit any budget.
